POLYGLOSS ULTRA HIGH GLOSS PANELS

POLYGLOSS ultra high gloss panels are an affordable solution for that elegant look. An alternative to 2 pack paint Polygloss will create a beautiful kitchen, bathroom, laundry and wardrobes.

It is also ideal for commercial applications such as offices, reception areas, restaurants, shops and furniture.

POLYGLOSS is manufactured by bonding a 75 micron clear film of polyester onto a decorative melamine surface. This special technique enhances the colour and provides a high gloss scratch resistant finish delivering a clean and fresh shimmer look to your doors and panels for many years.

- Affordable and visually appealing
- Transparent UV resistant coating
- Scratch resistant
- 7 Year Warranty
- 8 Fashionable colours
- Environmentally friendly coating material
