

# SENOSAN HIGH GLOSS ACRYLIC PANELS

SENOSAN high gloss acrylic panels, the elegant look for all applications.

SENOSAN - unashamedly the most sensational and sophisticated high gloss panel to come out of Europe. Offering a depth, brilliance and lustre without peer the look is truly avant-garde.

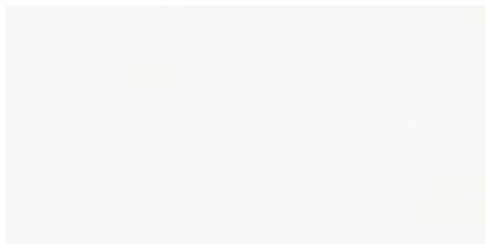

Ideal for domestic applications such as kitchens, bathrooms, laundries and wardrobes while the uses are almost endless for commercial projects and fit outs in offices, shops and restaurants.

SENOSAN provides a unique high gloss effect and colour depth that not only looks sensational but has high scratch resistant, is UV resistant, and maintains superb colour consistency from one batch to another. All backed up by a 7 year warranty.

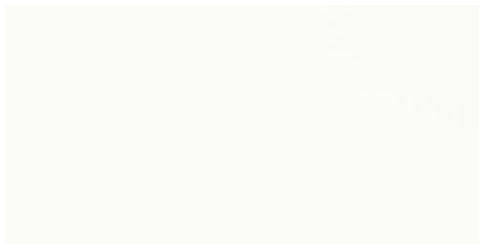

The choice of 9 colours is 2400 x 1200 x 18mm Mr MDF board with matching 1mm acrylic edge tape provides an unparalleled solution to those wanting the best high gloss result to enjoy and admire for many years.

As with many of our panel products we offer a cut and edge service for SENOSAN thereby removing the time to produce the finished product.
