THE QUADRA 2026 RANGE - resists all the tough treatment

QUADRA are German manufactured DUROPAL HPL Laminated 38.8mm thick Worktops. They are manufactured by Pfleiderer, using DUROPAL HPL, acknowledged as being one of the best laminates available due to being extremely stain, scratch and impact resistant, providing a highly durable surface.

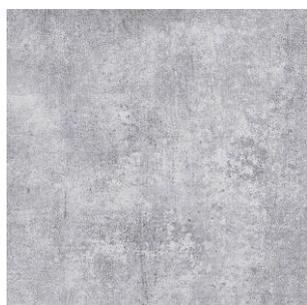

QUADRA – 3mm Radius Corners

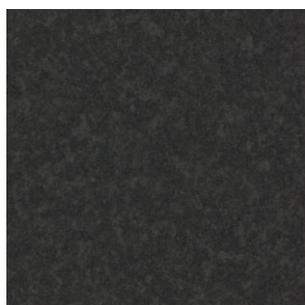

QUADRA is available in 600mm & 900mm width and 5300mm & 2600mm long, providing very efficient and cost effective options. QUADRA has 3mm radius corners, with a sealing on the underside of the worktop.

The European colours and designs, the sleek profiles, the excellent mechanical characteristics, all work together to provide an ideal option for worktops and counters in domestic and commercial applications.
